

Collington Community Update

March 19, 2018

Upgrades to begin/ongoing including the following units

as we grow our Independent Living community:

240/242-Internal only

3105-external, sunroom addition

122-internal

1102-Internal only-no start date

4117-Internal only

163-internal

1012- Internal and external, sunroom addition

2111-internal and external patio extension

4008-internal only, no start date

354-internal only, no start date

4114-internal and external, no start date

2009-renovation begins 3/19/2018

These units should tentatively be concluded by the end of June 2018. The contractor should be making residents aware of extended noise, debris, etc. The contractors should be leaving the work sites neat and tidy.

If you have any concerns kindly alert Lindsey or Tia in Marketing in the absence of a project manager.
